### FRANK R. HARF ALONE WAS TRUE

Picking Winners At the Alexander Island Track Was More Than Usually Difficult, but One First Choice Being Successful-It Was the Reverse at 5t. Asaph.

The talent slipped down four out of five times at Alexander Island yesterday, and as a result the sleven books held on to the shekels. The only first choice to win was Frank B. Harf, but his success was not sufficient to get the public out of the hole. Judge McMahon thought well of his colt's (Dr. Johnson) chances and put a swell bet down. He enshed and his many friends were glad of it.

After many efforts Lithograph finally scored and Harry Lewis smiled to himself as he landed the golding first past the post. Hepetition, fresh from St. Asaph, was supposed to be a cinch, but he falled to land the coin. The attendance was good and betting brisk,

FOUR FAVORITES FIRST.

St Asaph Winners Were Somewhat Easy

COME here first! Sounds selfish, doesn't it? We mean come here first because we will willingly let you go elsewhere afterwards, for we know you will return again. We know pretty well what all the other clothiers are offering, hence our confidence in our own stock. It makes no difference what you want to expend this winter for a Suit or Overcoat, you can take our word for it that it will be best spent here! You have the privilege of returning it and getting your money without any "red tape." We show our faith in our stock by giving you this privilege. We realize that every man

does not want a "cheap" Suit, so we did ourselves proud on a line at \$15 and \$20-the two most popular prices.

We realize also that every man does not want a \$7 Overcoat, so we beat the market on a line of long "Paddock" and "Hopkins" Overcoats at \$15 and \$.o-great big money's worth.

The bright weather brought out a goodsized crowd and the betting was lively. In the last race Ed. Kearney made a new track record for a mile, covering the distance in 142%.
